You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2024AP1953-W Nieman v. Wilz, L.C.# 2007CF511; 2015CF176

Petitioner, Michael Nieman, pro se, filed a motion to extend the time in which to file a petition for review on November 29, 2024. On December 2, 2024, the court issued an order denying the motion to extend time in which to file a petition, but deeming the motion itself as a timely petition for review, granting the petitioner until January 31, 2025 to file a statement in support of the petition, conforming to the requirements of Wis. Stat. §§ 809.62(2) and (4). The December 2, 2023 order also stated that no further extensions would be granted. On December 6, 2024, the court received a document filed by petitioner titled "petition for review" and on December 9, 2024, the court received supplemental documents. Both the petition for review and supplemental documents were accepted as filed. On January 24, 2024, petitioner filed a motion for an extension of time to file additional supplemental documents in support of his petition for review. Therefore;

IT IS ORDERED that the motion is denied. The court does not require additional transcripts or documents to review the petition, and the court will grant no further extensions.
