You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2024AP1478-W      Brewer v. Mlodzik, L.C.#1987CF9427

In our order of December 11, 2024, we noted that Mr. Brewer had filed a letter that we construed to be a timely but non-complying petition for review of the court of appeals' November 13, 2024 opinion and order denying Mr. Brewer's petition for a writ of habeas corpus. We required Mr. Brewer to file a statement in support of the petition, conforming to the requirements of Wis. Stat. §§ (Rules) 809.62(2) and (4), by January 10, 2025. He failed to do so. We therefore dismissed Mr. Brewer's petition for review by order of April 2, 2025.

On April 24, 2025, Mr. Brewer filed a motion asking this court to reconsider its April 2, 2025 dismissal order, along with a supporting affidavit (with exhibits) and what appears intended to be his statement in support of his non-complying petition for review.

IT IS ORDERED that the motion for reconsideration is denied. This court's December 11, 2024 order established a clear deadline with which Mr. Brewer failed to comply, warranting dismissal. Nothing presented in Mr. Brewer's motion for reconsideration alters this court's view of the matter.
