You are hereby notified that the Court has entered the following order:

No. 2011AP2677-OA Clinard v. Brennan

Pending before this court is a petition for appointment of a 3-judge panel pursuant to Wis. Stat. §§ 751.035 and 801.50(4m) or, in the alternative, for leave to commence an original action seeking declaratory judgment and other relief. This case involves the 2011 redistricting statutes as well as the boundaries for the special and recall elections that were held in 2012. A case raising similar issues was also filed in the United States District Court for the Eastern District of Wisconsin. Baldus v. Brennan, No. 11-C-0562.

In June 2013 the respondents notified this court that the federal district court has resolved all pending matters before it and has formally closed the case and that the recall and special elections which were the subject of the instant case were held in 2012. The respondents suggested that in light of the federal court decisions and the fact that no further recall or special

IT IS ORDERED that the petition, along with all accompanying motions and requests for relief, is dismissed.
