Electronic Notice

You are hereby notified that the Court, by its Clerk and Commissioners, has entered the following order:

No. 2024AP939-CR      State v. Smith, L.C. #2021CF201

On July 31, 2025, counsel for defendant-appellant, Roderick L. Smith, submitted into the appellate eFiling system a petition for review and supporting appendix. Due to an administrative error, counsel submitted the incorrect petition for review; specifically, counsel submitted a petition for review that he had prepared on behalf of a client other than Roderick L. Smith.

On August 8, 2025, counsel discovered the error and submitted into the appellate eFiling system the correct petition for review, i.e., the petition for review he had prepared for Roderick L. Smith. Counsel also submitted a supporting appendix. The submission complies with the 30-day deadline set forth in Wis. Stat. § 808.10 and § (Rule) 809.62(1m), as the petition for review concerns a July 30, 2025 opinion and order of the court of appeals.

IT IS ORDERED that, in order to correct the docket in this case, the petition for review and supporting appendix submitted into the appellate eFiling system by counsel on August 8, 2025, shall be accepted for filing as of that date, and shall serve as the operative petition for review in this matter. The clerk's office shall remove from the docket the petition for review and appendix submitted by counsel on July 31, 2025.

IT IS FURTHER ORDERED that any response to the petition for review shall be filed within 14 days of the date of this order.
