Rule Petition No. 26-06
Filed November 16, 2026

The Court entered the following order on this date:

On September 28, 2026, Patrick Fagan filed a rule petition requesting that the court create a Supreme Court Rule (SCR) chapter to regulate the use of generative artificial intelligence by lawyers, judges, judicial clerks, research attorneys, court staff, and self-represented litigants in connection with court proceedings.

The court considered the rule petition and determined that it would not exercise its rule-making authority or further consider this petition due to procedural shortcomings with the petition. *See* WIS. STAT. § 751.12; *see also* S. Ct. Order 03-07, *In the matter of Amendment of SCR 40.05 and the Bar Application of Samuel Mostkoff* (issued Oct. 13, 2003) (dismissing administrative rule petition pertaining to petitioner's pending legal challenges).

IT IS ORDERED that the petition is dismissed.

Dated at Madison, Wisconsin, this 16th day of November, 2026.

Samuel A. Christensen
Clerk of Supreme Court
