**CLERK OF SUPREME COURT
OF WISCONSIN**

Dear Honorable Justices,

I am writing in support of the Petition 22-03 related to reducing the length of time eviction records are held.

If the process of eviction demanded a more balanced representation for tenants I may think otherwise, A 90% to 10% rate of landlord to tenant representation does not strike me as an impartial proceeding. And this ratio becomes higher if one is poor.

I believe this Petition acknowledges the reality of current biased practices currently allowed. It also underscores the importance of housing security as a critical factor contributing to the economic, health and general well-being of our entire Community.

I urge you to adopt Petition 22-03 to reduce the term of eviction records by reducing the length of time they are held.

Thank you for providing me with the opportunity to comment on this proposed rule.

Respectfully,

 8/22/22
