

Admission FAQs

General Information

1) *Where can the Application for Admission as well as the Information and Filing Instructions be found?*

These can be found on the Wisconsin Supreme Court webpage under Services→For attorneys→Admission to practice law in Wisconsin.

<https://www.wicourts.gov/services/attorney/bar.htm>

We recommend **printing** both a copy of the Sample Application and the filing instructions. Thoroughly **read** both items and then **collect** the necessary information before creating your on-line account and completing the actual application. Taking these preparatory steps will help to ensure that a more thorough and complete application is submitted.

2) *What is the deadline for filing my application?*

All deadlines are listed within the Information and Filing Instructions. Please use this link to find your specific deadline dates:

<https://www.wicourts.gov/services/attorney/bar.htm>

3) *What is required for my application to be considered "filed"?*

Three items must be submitted for an application to be considered filed:

- The completed online application (BE-001)
- The signed and notarized Authorization and Release Form (BE-002)
- Payment of the filing fee

Upon receipt of these three items, an application is considered filed. However, a filed application is not synonymous with a completed application.

The Information and Filing Instructions indicate what documents are required at the outset of the application process. But additional documents are commonly needed to complete an application. The Board of Bar Examiners will notify applicants through e-mail if additional documents are required. Applicants should access their on-line accounts to determine whether documents have been received or to check their file status.

Diploma privilege applicants and proof of practice applicants have one year to complete their files. Bar exam applicants have six months from the date exam results are released to complete their files.

4) How do I submit the filing fee payment?

Before submitting the on-line application, applicants will be prompted to pay the filing fee electronically (via credit card or ACH). Occasionally, there are web browsers that do not activate the electronic payment feature. As a result, applicants sometimes submit their applications without the required payment. If that occurs, payment will need to be submitted by check. Applicants who do not wish to use the electronic payment feature may send a check made payable to the Board of Bar Examiners at P.O. Box 2748, Madison, WI 53701-2748. Please be sure to include your name on the check.

5) How do I check the status of my application or know when a required document has been received?

Your online account will list which documents are required to be submitted and which ones have been received. Applicants are responsible for checking the status of their files.

6) How do applicants obtain and submit required documents?

Applicants are responsible for ordering any required documents. Unless otherwise instructed, all documents must be sent directly to the BBE by the originating agency or institution. Transcripts may be sent through a BBE recognized transcript vendor. All transcripts must be ordered by the applicant; the schools do not automatically send them. Please see the Information and Filing Instructions for specific requirements for transcripts.

7) How long does it take to process an application?

Depending on the complexity of an application and the speed with which required documents or other materials are received, the processing of an application may take between three and six months to complete.

8) How do applicants know if they have been certified for admission?

Applicants will be notified by e-mail with their certification paperwork and instructions for how to be sworn-in.

9) *When is an application required to be amended?*

Pending applications must be kept current. Changes related to employment, internships, future legal employment, names or addresses, bar exam applications in another state, etc., must be reported using an amendment form. Applications should also be amended to include any new criminal or traffic violations. Amendments are submitted through the online account. See SCR 40, BA 14.03 <https://www.wicourts.gov/sc/scrule/DisplayDocument.pdf?content=pdf&seqNo=252190>

10) *Are there alternatives for applicants who are unable to attend a scheduled group swearing-in ceremony?*

Applicants who have been certified for admission will receive an email with instructions for how to schedule an individual swearing-in ceremony.
