Please Note: If there are differences in this document and the Group Policy, the Group Policy is the governing document. This insurance plan has been authorized by the Group Insurance Board for the purpose of permitting premium collection through payroll deductions under authority granted by § 40.03 (6) (b) and pursuant to §20.921 (1) (a) 3. State Statute. The standards used by the Board include, but are not limited to: documentation of financial stability, demonstration of a reasonable ratio of claims paid to the premium level, authority to conduct business in the State of Wisconsin, agreeing to conditions for the rate-making process and other administrative conditions. Employee Trust Funds (ETF) staff and the Board's actuary review proposals for participation prior to Board approval. However, the Board does not require competitive bids nor a benefit comparison with similar products from other vendors. **Authorization for payroll deduction should not be construed as an endorsement of this plan by either the Group Insurance Board or the Department of Employee Trust Funds.**

Premiums will be deducted from your paycheck on a pre-tax basis automatically when you enroll in this benefit. If you prefer to have your insurance premiums deducted post-tax, you must file an *Automatic Premium Conversion Waiver (ET-2340)* before your benefits begin or prior to the next plan year. If you have your premiums deducted on a pre-tax basis, you must continue the coverage for the entire year, unless you experience a valid change in status event that allows you to change or cancel coverage. Once you file a waiver, it will remain in effect until you revoke it. *NOTE: If you have coverage that includes a domestic partner, non-tax dependent, or you are a limited term employee, your premiums will be deducted post-tax from your paycheck.*
