EPIC™ | SPECIALTY
BENEFITS

EASY AND AFFORDABLE

As a new State of Wisconsin employee, you may be eligible for automatic acceptance into our supplemental benefit plan from EPIC. This plan combines valuable benefit types all rolled into one package – benefit enhancement to your base insurance made simple. And, our competitive rates mean it's affordable, too!

WHAT IS SUPPLEMENTAL INSURANCE AND WHY WOULD I WANT IT?

Supplemental insurance is an additional benefit that enhances your base insurance plan(s). The plan offered to State of Wisconsin employees from EPIC provides you with additional Dental, Hospital and Surgery, and Accidental Death and Dismemberment coverage, along with the option to purchase additional vision coverage.

Plain and simple, carrying supplemental insurance can save you money by providing additional benefits for costs you'd otherwise be responsible for.

If you enroll now and continue your coverage through the date you become an eligible annuitant, you may take the annuitant supplemental benefits with you when you retire (see Annuitants brochure). If you terminate your employment prior to achieving annuitant status, you may continue the coverage under the law and requirements of COBRA.

HOW TO ENROLL

Applications must be submitted to your payroll office within your eligibility period. **Consult your payroll office for enrollment requirements.**

Note: You must be eligible to enroll in a group health plan offered to state employees through the Group Insurance Board to be eligible for this coverage.

OTHER INFORMATION

Automatic Deduction

Premiums will be deducted from your paycheck on a pre-tax basis automatically when you enroll in this benefit.

If you prefer to have your insurance premiums deducted post-tax, you must file an Automatic Premium Conversion Waiver (ET-2340) before your benefits begin or prior to the next plan year. Once you file a waiver, it will remain in effect until you revoke it.

Note: If you have coverage that includes a domestic partner, non-tax dependent, or you are a limited term employee, your premiums will be deducted post-tax from your paycheck.

The State of Wisconsin requires each employee to identify any family members who are not "tax dependents." A "tax dependent" is a person who qualifies as your dependent on your income tax for Internal Revenue Code purposes. Your family members, including adult children, do not need to be "tax dependents" to be eligible for coverage.

If there are differences in this document and the Group Policy, the Group Policy is the governing document. This insurance plan has been authorized by the Group Insurance Board under authority granted by Wis. Statute § 40.03 (6) (b) for the purpose of permitting premium collection through payroll pursuant to Wis. Statute § 20.921 (1) (a) 3.

With EPIC Benefits+ Dental Plan, you may see any provider you wish. However, we recommend Delta Dental because you will receive the best value when you choose a Delta Dental provider. **Since Delta's Contract with EPIC provides an extensive network of providers (93% of WI Dentists), it's easy to locate one near you.** However, if you choose to receive treatment from a provider not in the Delta network, you'll still be eligible for coverage, but any difference between Delta's allowable fee and what the provider charges will be your responsibility.

The plan's easy to use. After you visit your dentist, submit your dental claims to your other dental insurers for consideration. Then, submit all of your claims (including the portion paid by your primary coverage) to EPIC/Delta Dental for consideration.

Not sure if your dentist is a Delta Dental provider? Call Delta Dental at **800-236-3712**, visit Delta Dental on the Web at **www.deltadentalwi.com**, or contact your dentist directly.

At your appointment, provide your insurance information. This will eliminate confusion and claim denial. Many providers will submit claims on your behalf.

Hospital & Surgery Benefit

INPATIENT HOSPITAL STAY

A benefit of \$200 per day will be paid, beginning on the third day and continuing through the 365th day of a hospital confinement. Confinement in a skilled nursing facility does not qualify for this benefit.
