JAN 29 2014
CLERK OF SUPREME COURT
OF WISCONSIN

Attached is a document for filing from Chief Justice Abrahamson on Rules Petition 12-07.

In order to hopefully move this matter forward and to avoid confusion about what Amended Rules Petition 12-07 contains, I formally withdraw the amended IOP I submitted. I based my submission of the amended IOP on my view that when we enact formal rules for the supreme court finance committee, we may wish to amend that IOP as well.

In addition, if at some later point in time, the court wishes to develop an IOP in relation to the supreme court finance committee, I will agree to discuss that IOP in open conference if 3 other justices so agree.
