Dear Carrie,

OLR appreciates the opportunity to comment on the petition. OLR would note that SCR 22.23 excepts from publication of lawyer disciplinary decisions, those that result in dismissal or private reprimand.

Regards,
Keith Sellen

Please see attached request for public input on Supreme Court Rules Petition 12-09, filed by the Publication Review Committee which was convened by Chief Justice Shirley S. Abrahamson (proposing changes and additions to SCR Chapter 80, designed to govern publication of supreme court orders issued in cases, and amendments to SCR 98.07 which governs publication of rule matters). The supreme court has scheduled this petition for public hearing on Tuesday, January 15, 2013. Comments are due January 4, 2013.

Thank you.

Sue Gray
