Subject: Reform the rules!

Hello~

I am writing today to urge the court to reform the rules on judicial recusal. Judges should not be allowed to participate in cases if the parties involved contributed to their campaigns. Judges should be nonpartisan and uninfluenced by outsiders when deciding cases. I voted today, and saw many judges on the ballot many running unopposed. It seems more urgent than ever to have these rules reformed to make sure everyone receives equal and fair treatment in the eyes of the law.

Thank you
Sincerely,
Ellie Cotter
