CLERK OF SUPREME COURT
OF WISCONSIN

Hello,

I am writing in response to the petition from 54 retired state of WI judges who are asking the State Supreme Court to change its rules on recusing oneself from cases in which there may be a conflict of interest. We live in an environment of corruption at all levels of our government and do not need to add to that vision. If you have received a contribution from a business/enterprise toward your campaign, you need to recuse yourself from any case involving that business. The people of Wisconsin have spoken in recent polls, stating that our courts need to avoid even the appearance of corruption. Reform the rules on judicial recusal for the state of Wisconsin. It is the right thing to do and it is the will of the people.

Sincerely,

Karen Hughes
