

Clerk of Supreme Court - Recusal Law

MAR 29 2017
CLERK OF SUPREME COURT
OF WISCONSIN

I am writing with deep concern. As we saw in the confirmation of DeVos, as well as other elections, money and donations effect legislation and politics in general. It is my hope that there is a new law written to recuse any judge or attorney who has received a donation, whether large or small, that would cause bias in a case being tried/heard.

Sincerely,
Bridget Kramer
