To the honorable Justices of the Wisconsin Supreme Court:

I write in support of Petition 17-09, which seeks an increase in the fee charged to applicants for pro hac vice admission in Wisconsin courts from \$250 to \$300, with the additional \$50 going to support the work of the Wisconsin Access to Justice Commission. The Commission's mission, "to develop and encourage means of expanding access to the civil justice system for unrepresented low income Wisconsin residents," is valuable and important. The Commission is active, engaged, and hardworking and its efforts have had a significant practical impact with a modest investment of resources. I support this proposal to make possible the continuation of the Commission and its important work.

Thank you for your consideration of this petition.

Yours very truly,
