CLERK OF SUPREME COURT
OF WISCONSIN

Re: Rule Petition 26-01 (Campaign-Related Recusal Rules)

Dear Clerk:

I write to correct an erroneous sentence in Petitioners' Supporting Memorandum discovered in preparation for the June 4 hearing.

The last sentence in the first full substantive paragraph following the salutation reads: "The vote came in closed session, without public notice, without public hearing, and without any opportunity for the public to comment". That sentence should be stricken as inaccurate.

I apologize to the Court for the error and trust you will advise the Court of the correction.

Thank you.

Sincerely yours,

Richard G. Niess
