Re: Rule Petition 26-02 — Request to Withdraw Petition

Dear Clerk:

I am the petitioner in Rule Petition 26-02, In re Creation of SCR Ch. 76, Use of Generative Artificial Intelligence in Court Proceedings. I respectfully request that the Supreme Court grant withdrawal of my petition.

My request reflects my decision not to pursue the proposed rule. I remain supportive of the responsible use of artificial intelligence in court proceedings. Please file this request in the rule-petition record and submit it to the court for consideration.

Respectfully,

Jay Stone
